Valara is registered as an investment advisor with the states of New York and Texas. The firm only transacts business in states where it is properly registered, or is excluded or exempted from registration requirements. Registration with a state authority does not constitute an endorsement of the firm by such state authority, nor does it indicate that the advisor has attained a particular level of skill or ability.

Third-party rankings or recognition by rating services or publications are no guarantee of future investment success. Working with a highly-ranked advisor does not ensure that a client or prospective client will experience a certain level of performance or results. These rankings should not be construed as an endorsement of the advisor by any client nor are they representative of any one client’s evaluation. Generally, rankings and recognition are based on information prepared and submitted by the advisor. Upon written request, Valara will provide you with more information regarding how a particular rating was formulated.

Different types of investments involve varying degrees of risk, and there can be no assurance that any specific investment will either be suitable or profitable for your portfolio. All investment strategies have the potential for profit or loss and past performance is no guarantee of future success.

Historical performance results for investment indexes and/or categories, generally do not reflect the deduction of transaction and/or custodial charges or the deduction of an investment-management fee, the incurrence of which would have the effect of decreasing historical performance results. Economic factors, market conditions, and investment strategies will affect the performance of any portfolio and there are no assurances that it will match or outperform any particular benchmark.
